

Shiver

WALK THE MOON

Capo 4

G **C** **D**
You grip your hands around my throat
G **C** **D**
And you strip the buttons off my coat
G **C** **D**
And I choose the methods I do best
G **C** **D**
And the thump-thumps are thumping in you chest

G **Em D**
When you are close to be I shiver
G **Em D**
When you are close to be I shiver
G **Em D**
When you are close to be I shiver
G **Em D**
When you are close to be I shiver

Repeat for entire song.
