

Shiver

WALK THE MOON

Capo 4

G		C		D
You grip your hands around my throat				
G		C		D
And you strip the buttons off my coat				
G		C		D
And I choose the methods I do best				
G		C		D
And the thump-thumps are thumping in you chest				

G			Em D
When you are close to be I shiver			
G			Em D
When you are close to be I shiver			
G			Em D
When you are close to be I shiver			
G			Em D
When you are close to be I shiver			

Repeat for entire song.
