Well I just laughed, cause I stepped on Barbie s head.  
F Em Am G  
It ain t the first time, and it s gonna happen again.  
F G  
But I m OK with the world I live in.

CHORUS: F C G  
Cause I like baseball, huntin in the fall, fishin out by the lake.  
F C G  
Now it s tea parties, Malibu Barbies, and Easy Bake Oven-made cupcakes  
Am G F  
I like Friday nights with all o my boys washin away the week  
G F G C C/B Am G  
With a tall stiff drink. But, man, I love the color pink.

VERSE 2: C C/B Am G  
People see me at the mall covered up in bags.  
C C/B Am G  
Watchin my baby girl spend every dime I have.  
F Em Am G F  
And I ain t ashamed, I know every Taylor Swift song.  
G  
My girls love when I sing along.

CHORUS: F C  
Cause I like cards on the table, fights on cable,  
G  
the sound of a revved up Chevrolet.  
F C G  
Now it s pony tails and paintin my nails and Dad watch me do ballet.  
Am G F  
People say they grow up fast, better make it last  
G F G  
Cause, man, they re gone sooner than you think. But, man, I love  
F C  
The color pink like her flip-flop, big ol polka dots,  
G  
Butterflies on the wall.

**F** **C**  
Pink like her piggy bank, hair brush on the sink,

**G**  
Cartwheels down the hall.

**Am** **G**  
And pink like the dress she ll wear to prom,

**F** **G**  
Then she ll wear a white one and man she s gone, I can t blink.

**F G C C/B**  
Cause God I love the color pink

**Am G C C/B Am G C**  
God I love the color pink.
