Walker Montgomery

[Intro]

C G Em D x2

[Verse]

 C G
Got a hometown crowd yellin' out loud
 Em D
On a Friday night football game
C G Em D
Sunday after church we all go down to the local cafe
C G
It's like my blue jeans, my dirty old boots
Em D C
Like my Chevrolet, and my red white and blue
G Em D
Yeah you know it's the truth

[Chorus]

 C G
Cause it's a simple town and that's how we like it
 Em D
Love Jesus and Jones and we ain't gonna stop it
 C G
Just an old town square, county fair
 Em D
And a creek where the boys try to get a little lucky
 C G
But it's part of me, and part of you
Em D
It'll be a part of our kids too
 C G Em
You can bet when I get back I ain't gonna leave
D
This simple town

[Instrumental]
