

Lives Like Hers
Walker & Reed

CAPO 1

[Intro]

G - C - G - D x2

[Verse]

G **C**
Such a little baby girl
G **D**
Makes you ask yourself why
G **C**
Why someone so innocent
G **D**
Has to tell us all goodbye

[Chorus]

Em **C**
It s just not fair God
G
To take lives like hers away
Em **C**
I know how bad it hurts me
G
And I don t even know her name
Em **C**
But who am i to question
G
Your timing and your plans
Em **C**
I just can t stand to see
G
lives like hers come to an end

[Verse 2]

G **C**
She s in a much better place
G **D**
Flying with angels in the clouds
G **C**
But I can t help but wonder
G **D**
Could I have done something else?
G **C**
The only hope that I can have
G **D**
When lives like hers come to an end
G **C**

She's up there with you in heaven
G **D**
And that's where life really begins

[back to chorus]

[Outro]

G **C**
Such a little baby girl
G **D**
Makes you ask yourself why
G **C**
Why someone so innocent
G **D**
Has to tell us all goodbye
Em **C**
It's just not fair God
G
To take lives like hers away...
