[Intro] Em G Bm C

Em

So if I stand in front of a speeding car

Would you tell me who you are, what you like?

What s on your mind, if I d get it right?

How I love that no one knows

And these secrets all that we ve got so far

The demons in the dark, lie again

Play pretends like it never ends

This way no one has to know

 \mathbf{Em}

Even the half smile would have slowed down the time

If I could call you half mine

Maybe this is the safest way to go

We re singing

Heya heya heya heya

Heya, heya heya

This is the safest way to go nobody gets hurt

We re singing

Heya heya heya heya

Heya, heya heya

You go back to him and then I ll go back to her

So if I stand in front of a speeding car

Would you give your little heart?

```
Say the word?
Do it too, just me and you
This way everyone will know.
Cause these secrets all that we ve got so far
The demons in the dark, lie again
Play pretends like it never ends
This way no one has to know
