[Riff 2]

She  
Was only seventeen  
Oh, why are girls in songs always seventeen?

She  
Was from a movie scene  
And now she plays in my head all day

[Refrão]

G A  
She called me up  
D Em  
And let me in  
G A  
I couldn't feel my legs  
G A  
She walked me back  
D Bm  
Into her room  
G  
But just to see  
A  
A 1980s horror film

[Riff 2]

She pulled up a chair  
And gave me the bed  
And all these crazy things  
Went through my head

G A  
It seemed so long  
D Em  
I need someone  
G A  
I don t know what to say  
G A  
She was sitting there  
D Bm  
I could touch her hair  
G  
But still we watched  
A  
A 1980s horror film

D Bm A  
 Jamie, I don t know what to say to you  
 D Bm A  
 I feel you re always on my mind  
 Em G D  
 But now that I know what I need  
 A Em G  
 I m taking the long way round in my mind  
 D  
 It s not right  
 A Em G  
 I can t help the way I feel anymore  
 D A Em  
 And I need to ask you Jamie oh,  
 G  
 Can it be?  
 D A  
 That you feel, this way too?

G	A
The lights were off	
D	Em

G A  
She came and laid with me  
G A  
I looked into her eyes  
D Bm  
And tried to make her mine
