B
What s wrong?
D#m F#
You ve been asking but I don t have an answer
B
How come?
D#m F#
I m still thinking, let s pretend to fall asleep now
B D#m
When we get old, will we regret this?
F#
Too young to think about all that shit
B D#m F#
And stalling only goes so far when you ve got a head start

B D#m
Cause we could stay at home and watch the sunset
F#
But I can t help from asking, Are you bored yet?
B D#m
And if you re feeling lonely you should tell me
F#
Before this ends up as another memory
B D#m F#
Will you tell the truth so I don t have to lie?
B D#m F#
Will you tell the truth so I don t have to lie?

G#m C# F#
Feels like I ve known you my whole life
B A#/B
I can see right through your lies
G#m C#
I don t know where we re going
F# B A#/B
But I d like to be by your side
G#m C#
If you could tell me how you re feeling
F# B A#/B
Maybe we d get through this undefeated
