Walter Meego - Forever (Voyager 2008)

<http://www.waltermeego.com/>

My fave song of 2008, I play it on an acoustic with a lot of palm mute (and down a tone)

CHORUS:

G **D** **F#m** **G**
You know I ll wait forever, If I have time to
Em **D** **F#m** **Em D**
But I don t have forever, to wait for you yeah

G **D** **F#m** **G**
So when I say I want, us to be together
Em **D** **F#m** **Em D**
Just say you want me too and I ll be yours forever

hold a G for a bar and a half then:

D **Bm** x 4

VERSE 1:

D **Bm**
I could show you a place
D **Bm**
You ve never been there before
D **Bm**
I could show you the way
D **Bm**
You just can go back no more

PRE-CHORUS:

Em **A**
I could make you excited x2

VERSE 2:

D **Bm**
I could show you what it is
D **Bm**
I could take you there
