C#m7                            / B7                      / F#m
   ItÂ´s just another round,     just another fight
                                /       C#m7,                G#7
They try to knock me down,     but you know IÂ´m still alright
C#m7                    / B7                              / F#m
  And I know down inside,      that IÂ´m not like other men
                     /       C#m7,               G#9
So I pick myself up,    and IÂ´m back on my feet again
        A9      G#9                  C#m7    F#9    C#m7      G#9+

C#m7                  / B7   /                            F#m
   So many times,      I been down there on the ground
                              /   C#m7,               G#9
But I gather up my strength and I go another round
C#m7                  / B7                   / F#m
   So many times      I just wanna shout
                                    /    C#m7,          G#9
You may knock me down,  but you still ainÂ´t knocked me out
