GROUNDING - WARM GUN

C
These words are coming slowly
I am breaking this holding
Dm7 **Em7** **C**
It s taking all my time

C
She s on the all she told me
Her whispering words that haunt me
Dm7 **Em7** **C** **Am/B**
It s wasting all my heart

Am **C/G** **B7**
One word can change it and
Em **C**
One look can say it, yeah

C
She lyes there for the taking
Shades of the things that we are
Dm7 **Em7** **C** **Am/B**
It s mine to look deeper

Am **C/G** **B7**
One word can change it and
Em
One look can say it and
F **B7** **Em**
One heart can be broken and
F **C**
One life can be taken away

C
I ll say goodbye to my friends
Ride into the yellow sunset
Dm7 **Em7**
The past ,it, will be read
B7 **Em7**
The now has not started
F **G** **C**
And you will love again
