Verse 1:

E B D A

Everything I do, I do with William Shatner
Loosing all my hair while my bellyâ€™s growing fat-ner
And when I drink too much, he holds my hair in his hands
And while Iâ€™m blowing chunks, he treats me like the captain

Chorus:

G# E G#
Oh-----, when we get together we boldly go----
E G#
Talk about our favorite episodes
F# (strum once and mute)
I donâ€™t want to go to work
F#
Just want to hang with Captain Kirk
F# E-B-D-A--- E-B-D-A---
And if I had my way Iâ€™d make it so

Verse 2:

E	B	D	A
Everything I do, I do with William Shatner			
We drink a couple of brews, go to the Laundromat-ner			
When our clothes are dry, we fold them up together			
â€˜Cause everything I do, I do with William Shatner			

∴Repeat Chorus∴

: :Solo::

G# E G#

Hey---, spend more time with him than George Takei

E G#

Say full speed ahead and weâ€™re on our way

F#

He is so mysterious

F#

His middle nameâ€™s Tiberius

F# E-B-D-A-- E-B-D-A--

And heâ€™ll make me his cabin boy someday, someday

E-B-D-A---

Hey Bill â€“ Letâ€™s go get a tan

E-B-D-A---

Hey Bill â€" And a green woman

E-B-D-A---

Hey Bill â€" Weâ€™ll kill some Romulans

E-B-D-A---

Hey Bill â€" Iâ€™m your number one fan

E	B	D	A
â€™Cause everything I do, I do with William Shatner			
We go to the rodeo and put on our cowboy hat-ners			
When we paint the town, we buy each other dinner			
Weâ€™re fully functional, Just like Brent Spiner (spiner)			
Everything I do, I do with William Shatner			
And donâ€™t you wish that you could do it too
