Versel:

D G D A

Through space, through time

D G D A

We don't care what we find

D G D A

Only one thing on our minds, it's

Chorus:

D G D A

Kill Kill Kill Kill Kill Kill Klingons

Kill Kill Kill Kill Kill Kill Klingons

Verse 2:

D G D A

We go, we're bold

And we don't do what we're told

That is unless we are told to

::Repeat Chorus::

Verse 3:

D G D A

It'd be a thrill if William Shatner

D G D A

said, "Call me Bill, and how'd you like to go."

::Repeat Chorus::

Rap interlude:

D G D A

This microphone that I sing on I'm gonna use it while I kill myself a Klingon

I get my thing on I put some bling on I get excited like I got a cock ring on

We got a swing on, guitar string on, we jump in the air like we got a fucking spring on

We kill the Klingon, our vocals ring on, oh yeah!

Verse 4:

D **G** **D** **A**
Thereâ€™s a Klingon what do you do?
Iâ€™ll tell you once, Iâ€™ll tell you true
I know what Iâ€™d do, if I were you.
D **G** **D** **A**
Iâ€™d Kill Kill Kill Kill Kill Kill that Klingon (x4)
