slide up, then down)

A --- G --- E --- / C --- D --- E --- (x2)

Verse 1: (Now use the low A chord at the 5th fret and the low G at the 3rd fret)

A G E A G E

From the day he took his white suit off and left the midget far behind He started taking steroids and froze himself in time

Now heâ \in ^Ms slept the sleep of centuries a superman from the past From hell s heart he will stab at thee and get eugenic on your ass

(repeat main riff)

A G E A G E

 $\operatorname{He\^{a}}$ € II put things in your body and lay your mind to waste

Quote a line from Milton and never forget your face

 $\operatorname{He\^{a}}$ € $^{\operatorname{M}}$ s a villain cruel as Vader and as Merciless as Ming

He's as pissed off as a predator it's Khan Noonien Singh (my friend go!) (repeat main riff)

E D E DDDI

Phaser fests - prosthetic chests itâ \in TMs all I want to see

E D C B

Some may say it's fake but it looks real enough to me

Chorus:

A G E A G E

Montalban (Ricardo) Montalban (Ricardo)

A G E A G E

Wrath of Kahn (Me llamo) Montalban

Verse 2:

A G E A G E

Well it began in episode 24 on a ship called Botany Bay

They marooned him on Seti Alpha 5 but we knew heâ \in ^{M}d be back someday

Cause he was too big for television, they knew it even then

So they put him in the movie Star Trek 2 and they should've brought him back for Star Trek 10 (go)

(Repeat main riff)

Bridge 2:

E D E DDDD

Phaser fights â€" parasites - it's all I want to see

E D C B

```
You may call him Mr. Roarke but he's always Kahn to me
(repeat chorus)
Interlude: (before the guitar re-enter just palm-mute the A chord)
Zeti-Alpha 6 exploded 6 months after we were left here. The shock shifted the
orbit of this planet and everything was laid waste.
(guitar re-enters playing chorus riff)
I shall leave you here as you left me, as you left her, marooned for all
eternity
at the center of a dead planet. Buried alive. BURIED ALIVE! KHAAAAAN!!!
Bridge 3:
N.C.
Smiles everyone, Smiles!
                                                   DDDD
                               Е
