Verse 1: (Main riff for each line)

They made me drive the damn ship for a five-year tour

I never got a medal and I never got to score

I never saw a piece of the action I got so goddamn bored

I chased the fuckinâ€™ captain with a motherfuckinâ€™ sword

Iâ€™m Sulu

Well I donâ€™t like the Klingons, I got no love for Romulans

And everybody thinks of me as their little yellow friend (Heâ€™s different!)

Well someday Iâ€™ll make captain and everyone will bend

And just like Kirk does a miniskirt Iâ€™ll fuck you in the end

Iâ€™m Sulu, Iâ€™m Sulu, alright!

Bridge:

**C**                    **A#**                    **F**  
Baby I ainâ€™t seen it all but this is what I know  
The captains are the lucky ones who get the green skin hos  
Just once Iâ€™d like to go and write my own episode  
Never mind, Iâ€™d rather grind on my own fuckinâ€™ show  
**C5-----A#5-----**

Verse 2: (Main riff for each line)

Well I work for the captain and I work for Mr. Spock  
But one day Iâ€™ll bend â€™em over and show â€™em how I dock  
And if they donâ€™t like it they can just get out and walk  
While I go on to man the con and teach Star Fleet how to rock

(repeat Bridge)

(Repeat Chorus)
