The lyrics here are what I am sure they are singing, but the lyrics on the website say otherwise, even though they sound completely wrong when sung along to the song.

Bm G Bm G

Bm G
If you want to hold me, I want you more,
Bm G Bm
Than anyone ever wanted anyone before
Bm
(Ah, Ah, Ah, Aa Ah Ah Ah)
G Bm
If you want to hold me, I ll hold you, yeah.
G
If you want to hold me, hold me down,
Bm
I ll need, a little room.
G Bm G Bm
To sway
G
You hold me anyway
Bm G
all, my life where I cant take you on my own
Bm
I ll always hold,
G Bm
I ll always hold you, to me
Bm G
Say out, I am what you are and not but me,
Bm
So hold, me closer
G
But now that you are going to find you
Bm Bm G Bm G
Bm G Bm G
Now that you are going to find you now
F#m E F#m
I see your face inside
F#m E F#m
Shining in your deep blue eyes
F#m E F#m A
I see your love inside
F#m A Bm D
And it is starting to all make sense
F#m A Bm D

I Am A lion

F#m A Bm D

A tiger sleeping under my skin,

F#m A Bm D

A tiger sleeping under your skin,

F#m A Bm D

Not afraid to find

F#m A Bm D

Disappearing here with love

F#m A Bm D

I see your face inside

F#m A Bm D

Shining in your dreams tonight

F#m A Bm

I see your love inside

F#m A Bm D

And I m watching through somebody else
