

**Undertow**

**Warpaint**

Quality track! Thought I'd stick my tab up as I seem to play it a lot different to the others...variety is the spice of life after all!  
Haven't bothered with the solo bits yet so is filled with chords  
Enjoy

Intro; **C# E C# E A5 E A5 E**

**C# E**  
Your brown eyes are my blue skies.  
**C# E**  
They light up the river that the birds fly over.  
**A5 E**  
Better not to quench your thirst.  
**A5 E**  
Better not to be the first one diving in,  
**C# E**  
though you caught me and you know why  
**C# E**  
they breathe in the deepest part of the water.

**A5 E**  
What's the matter? You hurt yourself?  
**A5 E**  
Opened your eyes and there was someone else?  
**A5 E**  
Now I've got you in the undertow.  
**A5 E**  
Now I've got you in the undertow.  
**C# F#m**  
Why you wanna blame me for your troubles?  
**C# F#m**  
Ah ah ah you better learn your lesson yourself.  
**A5 E**  
Nobody ever has to find out what's in my mind tonight.

It will take you to the darkest part of the weather.
