[VERSE.2]. (play the second verse, bridge and chorus the same way as before)

How I love the way you move
And the sparkle in your eyes
There s a color deep inside them
Like blue suburban skys
When i come home late at night
And you re in bed asleep
I wrap my arms around you
So I can feel you breathe

[Bridge]

I dont need to be a superman
As long as you will always be my biggest fan

[Chorus]

Heaven isn t too far away
Closer to it everyday (Ah, ah)
No matter what your friends might say
We ll find our way, yeah
