[Intro]

**C#m A B F#m C#m B A**

[Verse]

**C#m A**  
Sometimes I m lost - And then I m found  
**B F#m**  
Sometimes I feel - Turned inside out  
**C#m B A**  
I m often silent when I m screaming inside  
**C#m A**  
Instead of love - We tend to hate  
**B F#m**  
We never quite - Appreciate  
**C#m B A**  
How much the other person cares or tries

[Chorus]

**F#m**  
Hold me close  
**A**  
Don t ever let me go  
**F#m**  
I m confused  
**A B**  
Maybe someday I will know why...  
**E F#m A**  
Sometimes I m right as rain  
**B C#m**  
And when it rains it pours  
**B A**  
You re such a mystery  
Why can t I unlock the door  
**E F#m A**  
All that glitters isn t gold  
**B C#m**  
Too much is overkill  
**E B A F#m**  
Love can be beautiful  
Or a bitter pill

**C#m A B F#m C#m B A**

C#m A  
 And when I m right - I m also wrong  
 B F#m  
 We give and take - To get along  
 C#m B A  
 There s so much more to this than I ever dreamed  
 C#m A  
 And when you smile - I have to laugh  
 B F#m  
 And when you cry - I m torn in half  
 C#m B A  
 So calm and yet so loose at the seams
