G - D# x2

She s manic-depressive and schizoid, too
The friskiest psycho that I ever knew
We re paranoid lovers lost in space
My baby is a basket case

My baby s gonna celebrate
I m being dragged through the nuthouse gates
Got my straitjacket on and I m taking her place
My baby is a basket case

She finally made a madman outta me
She finally made a madman outta me
My baby made a madman outta me
She finally made a madman outta me
