

I'll Go On

Warren Zevon

I ll Go On

D# **G#**
The sky is gray, the day is turning
D#
Dark begins to fall
Cm **D#** **G#** **Gm** **D#**
At night I cannot help but think about you

Though I m lonely, it is only
Love and that is all
So I will come and go my way without you

C# **G#** **G#m**
Though I m feeling sad I know
D#7 **Fm**
There ll be another sunrise
C# **G#** **G#m**
Now I m lonely; I m resigned
D#7 **G#** **Bb** **G#** **F#** **B** **F#** **B**
To live my life in loneliness

F# **B** **F#** **B**
Who was I to bring you down
D#m **C#7** **F#**
I didn t have the right
B **F#** **B**
Now you re gone but I ll go on
D#m **C#7** **F#**
And I will be all right
Bbm
Close your eyes, don t look back
B **C#** **D#m** **D#**
Just turn and walk away, Hey, hey, hey
