

**I'll Go On**

**Warren Zevon**

I ll Go On

**D#** **G#**  
The sky is gray, the day is turning  
**D#**  
Dark begins to fall  
**Cm** **D#** **G#** **Gm** **D#**  
At night I cannot help but think about you

Though I m lonely, it is only  
Love and that is all  
So I will come and go my way without you

**C#** **G#** **G#m**  
Though I m feeling sad I know  
**D#7** **Fm**  
There ll be another sunrise  
**C#** **G#** **G#m**  
Now I m lonely; I m resigned  
**D#7** **G#** **Bb** **G#** **F#** **B** **F#** **B**  
To live my life in loneliness

**F#** **B** **F#** **B**  
Who was I to bring you down  
**D#m** **C#7** **F#**  
I didn t have the right  
**B** **F#** **B**  
Now you re gone but I ll go on  
**D#m** **C#7** **F#**  
And I will be all right  
**Bbm**  
Close your eyes, don t look back  
**B** **C#** **D#m** **D#**  
Just turn and walk away, Hey, hey, hey
