(intro)

Yesterday she went to see the Polynesian band  
But she came home with her hair all wet  
And her clothes all filled with sand

I didn't have to come to Maui  
To be treated like a jerk  
How do you think I feel  
When I see the bellboys smirk?

And I can hear the ukuleles playing  
Down by the sea  
She's gone with the hula hula boys  
She doesn't care about me

They're signing

Ha ina ia mai ana ka puana  
Ha ina ia mai ana ka puana  
Ha ina ia mai ana ka puana  
Ha ina ia mai ana ka puana  
Ha ina ia mai ana ka puana  
Ha ina ia mai ana ka puana
