

**Amor Fati**  
**Washed Out**

First post! :) Greetings, good people O.o

Amor Fati by Washed Out.

I haven't seen this song posted anywhere  
except Uber Chords, and I don't think it's right.  
So here's mine. Cheers.

(Far as I can tell, it would seem the  
chords are the same for the duration of the song.)
