

Holy Moses
Washington

Bm

Hey how we breathe

D

And how we choke

Em

The night is black

F#

Your heart is broke

Bm

All into shapes

D

And into shards

Em

We smash like glass

F#7

We fall like stars

G

Leave it alone

Em

Leave it alone

Bm

I know youâ€™re dangerous

A

I know youâ€™re dangerous

G

Oh, I know the broken hearted sing â€˜Hallelujahâ€™

F#7

I call you Holy Moses

Bm

You got no name

D

Youâ€™re just a number

Em

Youâ€™re still a stranger

F#

You got no shame

Bm

I watch you walking

D

You look like smoke

Em

It should be haunting

F#7

But no oneâ€™s watching

G

Leave me alone

Em

Leave me alone

Bm

I know Iâ€™ll pay for this

A

I know Iâ€™ll pay for this

G

Oh even when you say I donâ€™t believe you now

F#7

I call you Holy Moses

D

Bm

I know, I know youâ€™re keeping all your secrets to yourself

D

Bm

I know, I know youâ€™re holding onto all of mine as well

Em

D

You look like a dead man

A

Em

Youâ€™re only skin and bone

Em

D

Thereâ€™s nothing I can do for you now

F#7

Holy Moses

Bm

Youâ€™re still a stranger

D

Youâ€™re on the make

Em

Youâ€™ve got this fever

F#

Youâ€™re such a snake

Bm

I hope youâ€™re happy

D

Itâ€™s such a shame

Em

You wear the snakeskin

F#7

I wear the blame

G

Leave it alone

Em

Leave it alone

Bm

I know youâ€™re dangerous

A

I know youâ€™re dangerous

G

Oh, I know the broken hearted sing â€˜Hallelujahâ€™

Em

Oh, everybody sing â€˜Hallelujahâ€™™

G

Even though I know I mean nothing to you

F#7

I call you Holy Moses
