

Forever Free
W.A.S.P.

My second wasp chord tab, note this is not in the right key to play along to the record
but good enough to impress your mates round a campfire :-)

Forever Free - W.A.S.P.

G **Em**
I ride all alone, I can t see
D **C**
The road to nowhere anymore.
G **Em**
And shadowed whispers are calling me
D **C**
To forbidden forests by the shore.
D **C**
And there she fell deep in the night
D **C**
Ooooh, one breath away from Heaven s light
D **C**
And she said, don t cry for me, I m leaving you.
G **Em**
The wind cries her name in the breeze
D **C**
But I can t hold her anymore, no, no more.
G **Em**
Some fallen angel had come to me
D **C**
And fell too heavy on my soul.
D **C**
And stole from me the love that I
D **C**
Ooooh, heard lords of time say, never die.
D **C**
And she said, don t cry for me because I ll be.

Chorus -

G **F C**
Riding the wind forever free,
G **F C**
Riding the wind froever free,
G **F C**
High on the wind forever free,
G **F C** **Em**
I ride the wind forever free, forever free.

Bridge -

Em **D**

Forever in my heart a fire, a fire burning,

Em **D**

I wake up nights and hear her crying, crying my name.

G - C - D
