Sunset and Babylon

Ab **A#**
Just a little bit west of old Pasadena
F# **C#** **Ab**
Is the place I go, I call it home for me
Ab **A#**
Call it what you will, Tinseltown for real
F# **C#** **Ab**
It s the open edge where the debutantes run free

Ab **A#**
Hollywood, California, Rocktown USA
F# **C#** **Ab**
Cruising down the strip is where I ll be
Ab
At the Rainbow bar and grill
A#
I ll drink till I get my fill
F# **C#** **Ab**
The home of the movie stars is where you ll find me

Ab **A#**
Gimme gimme home on Sunset
F# **C#** **Ab**
Desolation Boulevard I ride
A#
Gimme gimme home on Sunset
F# **C#** **Ab**
It s paradise on the faultline tonight

Ab
Everybody s lost in the land of Disney
A#
Ecstasy and Sister Misery
F# **Ab**
Save your soul boy, but not to the stars
Ha ha ha

solo
Ab A# F# C# Ab x2

Ab
It s the land of the twenty four hour party
A#
And my fist firmly wrapped around a fifth of Bacardi
F# **C#** **Ab**

On the Sunset Strip s where the orphans play tonight

So if you wanna get really rude
Just come on down and we ll get crude
Cause there ain t no place like here
Baby I mean nowhere
Cause in here s the land of sun and sin
All the freaks here gonna let you in
The shooting stars and the poseurs are gonna be there

Gimme gimme home on Sunset
Desolation Boulevard I ride
Gimme gimme home on Sunset
It s paradise on the faultline tonight
