

**What Ill Never Find**  
**W.A.S.P.**

**Em**  
Time to go away  
**C**  
Down the road I cannot hide  
**Em**  
Will I have no name  
**C**  
For destinyâ€™s I cannot find  
**Am**  
Will I wander alone  
**C**  
Foreverâ€™s lonely road of time  
**Am** **Em**  
Am I looking for what  
**G** **C**  
Iâ€™ll never findâ€¦.. ooh, ooh

Chorus-

**Am**  
Can you hear me  
**C Em**  
Can you hear me in the night  
**Am**  
Will I you feel me  
**C Em G**  
If you leave me, if I cry  
**Am**  
Can you hear me  
**C Em**  
Can you feel me say good bye

Did you call my name  
I will be leaving from this dream  
Can you feel the pain  
Slowly leaving me  
Will you hold my hand  
And ease me to the other side  
Am I looking for what  
Iâ€™ll never find
