

**Lucky People**  
**Waterparks**

[Intro] C Em Am G F

C  
Light us up until we pop

Em  
I wanna burn bright til we re not

Am G F  
Let s keep each other safe from the world

C  
I ll be your optimistic black hole

Em  
Full of love I can t control

Am G F  
Let s keep each other safe from the world

G6  
From the world

F C  
Happy Birthday, Merry Christmas

G Am  
To the one I call my missus

F C G  
I m leaving you love notes in the kitchen, that say it all

F C  
I know you said to mind my business

G Am  
But Cupid sent me on a mission

F C G  
It s got me sitting, wishing, waiting for your call

Am G N.C. C  
Let s be lucky people, you and me

Em Am G F  
Ooh, ooh, ooh

C  
My hourglass is in your hands

Em  
You ve got my time, you are my plans

Am G F  
Let s keep each other safe from the world

C  
You ve got me writing sappy songs

Em  
I used to laugh at on my own

Am G F  
Let s keep each other safe from the world

**Am**

Cause I know it s hard to let yourself be fine

**Em**

When we carry around our worried flurried minds

**F**

**Fm**

But I ll let go if you do too

**F**

**C**

Happy Birthday, Merry Christmas

**G**

**Am**

To the one I call my missus

**F**

**C**

**G**

I m leaving you love notes in the kitchen, that say it all

**F**

**C**

I know you said to mind my business

**G**

**Am**

But Cupid sent me on a mission

**F**

**C**

**G**

It s got me sitting, wishing, waiting for your call

**Am**

**G**

**C**

Let s be lucky people, you and me

**Em Am G F**

Ooh, ooh, ooh

**C**

My common sense is powerless

**Em**

**Am**

And I m convinced that you have caught me

**G**

Luck is just the half of it

**F**

The better half of me that I couldn t quit

**C**

Cause now I m flying across the country

**Em**

More than monthly for you

**Am**

**G**

You ve got me more than clumsy

**F**

But you re my yellow lovely

( **F C G6 Am F C G** )

**F**

**C**

Happy Birthday, Merry Christmas

**G**

**Am**

To the one I call my missus

**F**

**C**
