## Take Me Out To The Coast Waters

WATERS - Take Me Out To The Coast

(correct verse version)

(to sound like the original, play it one tone upper, start with D)

Intro : C G Am G

F Am G F

I was wrong to believe in myself

F Am G

I cant belong to a scene and no one else

Am G

F Am G F

It took too long to perceive what i had lived

I fell too hard on the things that i depend,

G F

but i was never old,

G F

or taken by surprise.

G F

The way i ve always been.

G F

The way you re always right.

C

Take me out to the coast,

Am F

and i will find my way,

C G F

and i won t think of the old days.

C G

i don t work for free

Am F

and you don t want to pay

C C F

and i wont get with your old ways.

F Am G F

We were broke in a trap and held against,

F Am G F

what we hoped was the way we could win.

F Am G F

All the breaks that we held on our friends

```
could never change or compel us to give in.
   G
But we were always tired
to a time to settle in.
Praying for a lie,
in the same old wind.
C
Take us out to the coast,
   Am
and we will find our way,
and we wont think of the old days.
                G
And we don t work for free,
and you don t want to pay,
and we wont get with your old ways.
      C G Am
I keep holding on
     CG Am
I keep holding on
C G Am
Come home to see that it all is gone.
C G
           Am
Wake up to know that it s not a home
C G
Tie it in
Aren t we at all alone.
C G
I keep holding,
I keep on holding on...
Take us out to the coast,
and we will find our way,
Take us out to the coast,
and we will find our way.
```

F

Αm

G

Take us out to the coast, and we will find our way.

C G

Take us out to the coast,

Am F

and we will find our way, oh...
