[Verse 1]

Hello, hello, hello, hello (hello, hello, hello, hello)
 It s a motherfucking pleasure (It s a motherfucking pleasure)
 No pressure
 But would you like to blow my mind
 And move too fast and plan our perfect lives together? (Plan our perfect lives together)
 Holy, holy, holy, holy (holy shit)
 You mean to tell me tell me tell
 You re tough to love when you don t love yourself, well

[Chorus]

Welcome to the family

Welcome to the family

Welcome to the family

[Verse 2]

My less exciting features
 Are packed inside my body
 They re crammed into the balcony
 They re jamming up the lobby
 They re falling out the window

You can see them crashing through the glass

When I don t keep my lids closed

As the director flicks his wrist

The stagehand in the wing has got a silver chain he grips
 And when he lifts it opens up the velvet curtains of my lips

And I say

[Chorus]

Am **Fm**

Welcome to the family

Welcome to the family
