

**Bathtub
Waxahatchee**

[INTRO]

D A Em G [x2]

[Verse 1]

D A Em G
Take my word for it, I m not worth it
D A Em G
I ignored you all night and you don t deserve it
D A Em G
Morning, bathtub, my skin soft and hot
D A Em G
I was sure you were right but you re not, you re not

[Verse 2]

Em G
And I contemplate my ruined fate
D A
Someone will hurt me so bad one day
Em G
And you ll resonate or I ll apologize
D A
Or maybe I ll make the same mistake twice

[Verse 3]

D A Em G
And I hide from phone calls under the warm water
D A Em G
And malice desists, no it woefully reoccurs
D A Em G
And it plays like daytime TV shows, I confuse you
D A Em G
And I tell you not to love me, but I still kiss you when I want to

[Verse 4]

Em G
And I lament, you re innocent
D A
Somehow the object of my discontent
Em G
It s fucked up; I let you in
D A
Even though I ve seen what can happen

[Bridge]

A

[Verse 5]

D **A** **Em** **G**
You make a tape, I receive it in the mail
D **A** **Em** **G**
And I force myself busy, the diversion will prevail
D **A** **Em** **G**
And I will swallow all my guilt with little pills and forge my chin up
D **A** **Em** **G**
And I will only think about it in the morning, in the bathtub

[Outro]

D A Em G [x2]
