

Be Good
Waxahatchee

Tuning: Standard

*Capo 6th Fret (All chords relative to capo)

[Intro]

D

[Verse 1]

Riff 1 (Strumming Pattern Throughout Verses: 1+2+3+1+2+1+2+3+1+2)

D, A, Em, G

It s unclear now, what we intend
We re alone in our own world
You don t wanna be my boyfriend
And I don t wanna be your girl

D **A**
And that, that s a relief

Em
We ll drink up our grief

G
And pine for summer

D **A**
And we ll buy beer to shotgun

Em
And we ll lay in the lawn

G
And we ll be good

[Verse 2]

Riff 1 (Strumming Pattern Throughout Verses: 1+2+3+1+2+1+2+3+1+2)

D, A, Em, G

(continue strumming pattern)

Now I m laughing at my boredom
At my string of failed attempts
Because you think that it s important
And I welcome the sentiment

D

A

And we talk on the phone at night

Em

Until it s daylight

G

And I feel clever

D

A

And I hear the slow in your speech

Em

Yeah you re half asleep

G

Say goodnight

[Verse 3]

Riff 1* (Continue strumming pattern)

Now I ve got friendships to mend

I m selfishly dispossessed

You don t wanna be my boyfriend

And that s probably for the best

D

A

Because that, that gets messy

Em

And you will hurt me

G

Or I ll disappear

D

A

So we will drink beer all day

Em

And our guards will give way

G

And we ll be good

Riff 1*

[Outro]
