

Black Candy
Waxahatchee

From Nervous Energies session

Capo 1st fret

Hammer it by lifting up index from first string.

C **Am**
Short breaths, our living death
G **F**
You take me for a ride.
C **Am**
Mouth shut, all blood and guts
G **F**
And social suicide.
C **Am** **G**
Why don't you go, pretense in tow?
F
We'll be alright.
C **Am**
Eyes wide, good looks preside,
G **F** (hammer)
You take me for a ride.
F **G**
We ascend, hand in hand.
C **Am**
I toss and turn, you understand.
F **G**
We learn to synchronize,
C **Am**
Tirade provoke and inside jokes
F **G**
Ascend, you just go.

C Am G F x2

C **Am**
Moonlight pours in tonight
G **F**
And you are infinite.
C **Am**
We squeeze out dark disease,
G **F**
Ex-boyfriend jealousy,
C **Am**
And then you take off.
G
Your name aloft,

F

We ll be alright.

C **Am**

Fair-weather friends forever

G **F** (hammer)

and I just wait in line.

F **G**

We ascend, hand in hand.

C **Am**

I toss and turn, you understand.

F **G**

We learn to synchronize,

C **Am**

tirade provoke and inside jokes

F **G**

And then you just go.

C **Am**

Skinned knees, Christmas Eve,

G **F**

It meant everything.

C **Am**

Train tracks, we sit back,

G **F**

Watch it atrophy.

C **Am**

Skinned knees, Christmas Eve,

G **F**

It meant everything.

C **Am**

Train tracks, we sit back,

G **F**

Watch it atrophy.
