Intro and Verse chords
B F# E G#m

G#m в F# Е Crave, desolate, you dive in, we follow along. I contrive you with whiskey and Sam Cooke songs and we lay on our backs, soaking wet below a static tv set. Conversation flows, counting shooting stars and catfish, G#m F# but I ll never make a wish. Same for Verse 2 until Outro F# в Е \mathbf{E} We stick to our slow motion memory. It s 1 in the morning and 90 degrees and though now it is hovering darkly over me, it ll look just like heaven when I get up and leave. G#m F# You re a ghost and I can t breathe.
