Full moon. We see our breath in a blue glow.

B Bb F#
I follow you to the bar in the snow

B Bb F#
And then we roll around in your sheets

B Bb F#
And watch our habits become a routine

C# B F# F#
And we ll fall asleep eventually

C# B F# F#
And I ll move away, forget today someday

B Bb F#
Meditate, I expand on the floor

B Bb F#
Floating in pennies and microphone cords

B Bb F#
Repeat mistakes, you re easy to erase

B Bb F#
And I abstain, ideal falls into place

C# B
But luck will fail. And others will pale

F# F#
And I ll think of you

C# B
And I ll think I tried it, or I will deny it

F# F#
But it s not true

B Bb F# x 3

C#
No one reminds me

B
That better won t find me

F# F#
And I won t learn

C# B
Tiger tiger, I play with fire

F# F#
And I get burned

C#
No one reminds me

B
That better won t find me

F# F#

And I won't learn
