Waylon Jennings

Verse 1:

You get a pen and i ll get a paper
B
We re gonna write ourselves a song
We ll drive the poetics crazy
E
I don t think the damn thing s gonna rhyme

Verse 2:

E
I got a friend and i think he s goofy
B
I guess he thinks the same about me
Guess it really takes one to know one
E
And you look like an old friend of mine (kind of short red headed)

Verse 3:

E
Out all night and acting crazy
B
I ve been up for two whole days
Turn me over and roll me over
E
Wind me up for one more rhyme

Verse 4:

E
Well he called me friend and he called me brother
B
I called him back but he was gone (i didn t call him nothing)
He took my songs and he took my money
E
But the jokes on him he s the friend of a fool,of a fool,of a fool

Verse 5:

E
You get a pen and i ll get a paper
B
We re gonna steal ourselves a song
We ll drive the poetics crazy

E

The damn thing just might rhyme
