**Waylon Jennings**

INTRO: **G C G C**

VERSE:

**G D**  
There s a bible on the dresser,  
**C**  
and a sign hung on the door,  
**D C G**  
and a woman in my arms that shouldn t be.  
**G D**  
I m to the point of no returning,  
**C**  
but I ve been here before.  
**D C G**  
This cheating life is nothing new to me.  
**G D**  
There s someone to be considered,  
**C**  
I call her on the phone,  
**D C G**  
and say the job is taking longer than I planned  
**G D**  
I dont have the heart to tell her,  
**C**  
that a stranger turned me on,  
**D C G**  
and I m heading for the broken promise land

Refrãfo

**G C**  
Tonight I m crossing over  
**D Em**  
and I ll reach the cheating side  
**G D Am**  
and I ll hate myself for coming here again.  
**G C**  
Where the streets are paved with misery  
**D Em**  
and lives are built on lies,  
**G D C**  
the place they call the broken promise land

VERSE:

**G D**  
Found the note left on the dresser,

**C**  
and the key left in the door,  
          **D**                          **C**                          **G**  
and on the floor I found her golden wedding band.  
          **G**                          **D**  
Guess she finally had to tell me,  
          **C**  
she s not waiting here no more,  
          **D**                          **C**                          **G**  
and she heading for the broken promise land.

Chorus:

**G**  **C**  
Tonight she s crossing over  
          **D**  **Em**  
and she ll reach the cheating side  
**G**  **D**  **Am**  
and I ll hate myself for giving her the chance.  
          **G**  **C**  
Cause the streets are paved with misery  
          **D**  **Em**  
and lives are built on lies.  
          **G**  **D**  **C**  
The place they call the broken promise land.  
**G**  **C**  
...and its more than I can stand.
