***** COME BACK AND SEE ME *****

written and performed by Waylon Jennings.

Verse 1:

G
Today was supposed to be

Just another day
C/G
Before the meeting of our minds and

What you had to say
D
It s been a long time comin and

I guess i never saw
G
I ll have a short time adjusting to it all

Verse 2:

You have come to your conclusion

You no longer care for me
C/G
And that we don t belong together

I suppose we sould agree
D
There is nothing i can do

Now that you ve made up your mind
G
But could you come back and see me sometime

Chorus:

G
Is there any way that you could leave a little at a time

C/G

I need the time to make adjustments of the heart and of the mind

D

It might be that you ll remember some old feeling left behind

G

And if you do would you come back and see me sometime

Verse 3:

G

I am left with no defenses

For i have no control

C/G

And for the first time in my manhood

I ll do what i am told

D

It s all over but the leaving you re

Determined now to do

G

I ll have the burden of gettin over you

Verse 4:

G

There s no need to be suspicious i have

Nothing left to hide

C/G

It s all out in the open i have

Nothing left inside

D

Just seeing you would be enough

It s all i have in mind

G

So could you come back see me sometime

Chorus.
