******* COME BACK AND SEE ME ********
written and performed by Waylon Jennings.
Verse 1:
Today was supposed to be
Just another day
                  C/G
Before the meeting of our minds and
What you had to say
 It s been a long time comin and
 I guess i never saw
                                          G
I ll have a short time adjusting to it all
Verse 2:
You have come to your conclusion
You no longer care for me
            C/G
And that we don t belong together
 I suppose we sould agree
            D
There is nothing i can do
Now that you ve made up your mind
But could you come back and see me sometime
Chorus:
```

Is there any way that you could leave a little at a time

I need the time to make adjustments of the heart and of the mind It might be that you ll remember some old feeling left behind And if you do would you come back and see me sometime Verse 3: I am left with no defenses For i have no control C/G And for the first time in my manwood I ll do what i am told It s all over but the leaving you re Determined now to do I ll have the burden of gettin over you Verse 4: There s no need to be suspicious i have Nothing left to hide C/G It s all out in the open i have Nothing left inside Just seeing you would be enough It s all i have in mind G

G
