Or is it six white horses coming down the road

Come here and touch me and say that it s alright

To hell with the fighting i want my son home

If the help of a blind man would do any good

I rocked the cradle where he used to lay
G#m **E** **F#**
I found his tin soldiers and threw them away

F# **G#m** **B** **F#**
Come here and look through the window Marie
