

**Kansas City Blues**

**Wayne Hancock**

Notes : Swing feel. Some words are intentionally misspelled, and grammar uncorrected, because thats the way Wayne sings.

Intro in **E**

**E**  
i wish i was a catfish, swimming in a sea  
**E**  
lots of purty women just a fishin after me  
**A** **E** **B7**  
then i d move, i d move, lord i d move to kansas city  
**E**  
honey baby where they dont want you

the gals will call me daddy, i m the hippest cat around around  
the women they all want me cause my good gal put me down  
she done moved, she done moved, well she done moved to kansas city  
honey baby where they dont want you

Solo

i walked all over memphis, looking down field  
lookin for the gal that they call luceille  
she done moved, she done moved, she done moved to kansas city  
honey baby where they dont want you

i walked all over rockney, low as i could be,  
lookin for the gal that made a sucker outta me  
she done moved, she done moved, she done moved to kansas city  
honey baby where they dont want you

Solo

Repeat first verse, and end in E.
