

**Maybe Its Okay
We Are Messengers**

I guess I ll put this here, since I m getting a number of reports indicating that this song requires a capo:
this was based on the acoustic version which existed on youtube, prior to the studio version being officially released, on youtube: https://www.youtube.com/watch?v=HoJgg9_TtxE - during which, the song is played in C.

[Intro]

|| **F** | **C** | **G** | **G** ||

[Verse 1]

F **C**
If I didn t know what it feels like
G
To be broken
F **C**
Then how would I know what it is now
G
To be whole
F **C**
If I didn t know what it cuts like
G
To be rejected
F **C**
Then I wouldn t know the joy of
G
Coming home

[Chorus]

F **Am**
Maybe it s okay
C/G **G**
That I m not okay
Am **G**
Cuz the one that holds the world

Is hanging on to me
F **Am**
Maybe it s alright
C/G **G**
That I m not alright
Am **G**
Cuz the one that holds the stars

Is holding my whole life

[Intro] x2

|| **F** | **C** | **G** | **G** ||

[Verse 2]

F **C**
If I didn't know what it looks like
G
To be dirty
F **C**
Then how would I know what it feels like
G
To be clean
F **C**
If all of my shame hadn't drove me
G
To hide in the shadows
F **C**
Then I wouldn't know the beauty of
G
being free

[Chorus]

F **Am**
Maybe it's okay
C/G **G**
That I'm not okay
Am **G**
Cuz the one that holds the world

Is hanging on to me
F **Am**
Maybe it's alright
C/G **G**
That I'm not alright
Am **G**
Cuz the one that holds the stars

Is holding my whole life

[Interlude]

|| **F** | **C** | **G** | **G** ||

[Bridge] x2

F **C/G**
Father let your kingdom come
G **Am**
And let your will be done
F **C/G**
Here in my heart
G **G/Am**
As in heaven

[Chorus] x2

F **Am**

Maybe it's okay
C/G **G**
That I'm not okay
Am **G**
Cuz the one that holds the world

Is hanging on to me
F **Am**
Maybe it's alright
C/G **G**
That I'm not alright
Am **G**
Cuz the one that holds the stars

Is holding my whole life
