

Be My Baby Ronnettes Cover
We Are Scientists

on their UK re-release of Nobody Move, Nobody Get Hurt. Its a fairly easy song to play or even on electric guitar if you can figure out how keith gets all that feedback at the start of the song.

Standard Tuning

Intro/Verse

```
e-----|
b-----|
g-----9-----|
d--12---9---7-----|
a--12---7---7-----|
e--10-----5-----| Palm Muted
```

Prechorus

```
e-----|
b-----|
g-----4---9-----|
d--4---4---9---7-----|
a--4---2---7---7-----|
e--2-----5-----|
```

Chorus

```
e-----|
b-----|
g---7---4-----|
d--7---4---5---7-----|
a---5---2---5---7-----|
e-----3---5-----|
```

I m not quite sure what keith does for the solo but he just messes around with the scale on. If Someone could figure it out, i would be grateful.

Thats basically the song, but only the basics. Please Rate. thanks very much enjoy.
