This might be a confusing tab because I needed to tab both guitars, let me know
of any mistakes.
Tabbed by Yas.

Standard tuning EADGBe

Intro:
```

```
Gtr1 G#m
Gtr2 C#m
------------------------------------------------
Verse 1:

Gtr1 G#m
Gtr2 C#m                                          E
    You re never gonna understand what you re seeing

Gtr1 G#m
Gtr2 C#m                                          E
But later you ll pretend you can and you ll mean it

Gtr1 B                                            A
Gtr2 B                                            Asus2
You might think it s all in your head but you re not certain anymore

Gtr1 B                                            A
Gtr2 B                                            Asus2
You might think it s all in your head but you re not certain anymore

------------------------------------------------
Verse 2:

Gtr1 G#m
Gtr2 C#m                                   E
I wouldn t put much talk in that  cause the fact is

Gtr1 G#m
Gtr2 C#m                                          E
It doesn t matter what you ask, it s who you re asking

Gtr1 B                                       A
Gtr2 B                                       Asus2
Well I d say go throw it away if it s not working anymore

Gtr1 B                                       A
Gtr2 B                                       Asus2
Well I d say go throw it away if it s not working anymore

------------------------------------------------
Chorus:

Gtr1 A2                    E        B2          E2
Gtr2 Asus2                 E        B           Asus2
I promise this is not a test, it just I want you to be sure

Gtr1 E2                    E        B2                  E2
Gtr2 Asus2                 E        B                   Asus2
It all comes back to common sense, I guess that s what you re looking for
```

```
Gtr1 A2                        E        B2              E2
Gtr2 Asus2                     E        B               Asus2
I promise this is not a test, it just I want you to be sure

Gtr1 E2                        E        B2                      E2
Gtr2 Asus2                     E        B                       Asus2
It all comes back to common sense, I guess that s what you re looking for

--------------------------------------------------
Intro repeat x1

--------------------------------------------------
Verse 3:

Gtr1 G#m
Gtr2 C#m                                          E
I ll have to ask you to speak up so we re sure that

Gtr1 G#m
Gtr2 C#m                                   E
We re all perfectly clear on what we re ignoring

Gtr1 B                                  A
Gtr2 B                                  Asus2
Well I d say go throw it away if it s not working anymore

Gtr1 B                                  A
Gtr2 B                                  Asus2
Well I d say go throw it away if it s not working anymore

--------------------------------------------------
Chorus repeat x1

--------------------------------------------------
Bridge:

Gtr1 A                         F#
Gtr2 A                         F#
Well you ve been taken and it s gonna hurt

Gtr1 A                     F#
Gtr2 A                     F#
Love s a classic  cause it always works

Gtr1      A                         B
Gtr2      A                         B2
This is a classic bluff because it always works on you

--------------------------------------------------
Bit after bridge thats kinda like the intro/verse:

Gtr1 G#m
```

```
Gtr2 C#m              E2
aaaaaaaaaaaaaaahhhhh,

Gtr1 G#m
Gtr2 C#m              E2
aaaaaaaaaaaaaaahhhhh,

Gtr1 G#m
Gtr2 C#m              E2
aaaaaaaaaaaaaaahhhhh, i promise this is not a test

Gtr1 G#m
Gtr2 C#m              E2
aaaaaaaaaaaaaaahhhhh

------------------------------------------------
Chorus repeat x1

------------------------------------------------

End on:

Gtr1 G#m
Gtr2 C#m
