

Rumour Mill

We Are The In Crowd

CAPO 4

Intro:

D A Bm G
D A G

Verse 1:

D
Here we go again,

A Bm
It s like you re calling all the shots before I shoot them

G
and I hate that.

D
Every time I turn my back I wonder what you ll

A Bm
say to make me sound like someone different

G
It s not worth it anymore

Break:

Bm G A
We ve been picking up the pieces Leaving all the dust behind.

Bm G A
Sick of all the pressure, you re just wasting time

Chorus:

G D
And I don t ever wanna know what it feels like

A Bm
to be a shadow of myself

G D A
and I don t ever wanna come back down from this feeling

G **D** **A** **Bm**
What makes you think that you know what s better for me

G **D** **A**
And I don t think you wanna see what s underneath

your made up version of me.

D A Bm G
D A G

Verse 2:

D **Bm**
There you go again believing that the truth is what you re reading

G **D**
Talk some shit I haven t heard before.

D **D**
If you ve got something to say (Don t wanna talk about it)

B **Bm**
If you need someone to blame (Don t wanna cry about it)

G **D**
I measure life in minutes but these critics think they ve got me figured out

Break:

Bm **G** **A**
We ve been picking up the pieces Leaving all the dust behind.

Bm **G** **A**
Sick of all the pressure, you re just wasting time

Chorus:

G **D**
And I don t ever wanna know what it feels like

A **Bm**
to be a shadow of myself

G **D** **A**
and I don t ever wanna come back down from this feeling

G **D** **A** **Bm**
What makes you think that you know what s better for me

G **D** **A**

And I don't think you wanna see what's underneath

your made up version of me.

D A G

Bridge:

Bm **G**
I lost the strength to keep my grip on the reality that

D
everything from day to day is

A
Fading from my memory

Bm **F#m**
But I'll never let this grow

G
out of my control and watch your steps so

A **D**
you don't fall into this hole you've dug alone

D - D (lift off middle finger) - Dsus4 (add pinky on high E string)

D
this hole you've dug alone

Chorus:

G **D**
And I don't ever wanna know what it feels like

A **Bm**
to be a shadow of myself

G **D** **A**
and I don't ever wanna come back down from this feeling

G **D** **A** **Bm**
What makes you think that you know what's better for me

G **D** **A**
And I don't think you wanna see what's underneath

your made up version of me.
