Verse 1

G# **Bbm**
Take out pen and paper,
F#
Write down another verse,
G# **Bbm**
Anything to take me away,
F#
Trapped in a spell, no words to say

Verse 2

G# **Bbm**
Do I wait for inspiration?
F#
You know Iâ€™ve tried to fight off desperation.
G# **Bbm** **F#** **G#**
The writing on the wall said thereâ€™s still salvation for me.

Chorus

C# **G#** **Bbm**
So tell me why, do I worry myself?
Ebm **Bbm** **G#**
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.
C# **G#** **Bbm**
So tell me why, do I worry myself?
Ebm **Bbm** **G#**
F#
I m out of the storm, my heart is worn, I made it through hell.

Verse 3

G# **Bbm** **F#**
Under these old illusions, itâ€™s a habit that I know too well,
G# **Bbm** **F#**

I think about you every now and then, but I know Iâ€™m better off now,
And in my darkest desire I light up the fire,
Let it burn, just let me burn.

Chorus

So tell me why, do I worry myself?
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.
So tell me why, do I worry myself?
I m out of the storm, my heart is worn, I made it through hell.

Bridge

Well I once said that Iâ€™ve seen the sun rise on better days,
Thereâ€™s no reason to be afraid,
If itâ€™s all the same to you Iâ€™ll be getting on my way,
Now thereâ€™s nothing left to say.

Chorus

So tell me why, do I worry myself?
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.
So tell me why, do I worry myself?
I m out of the storm, my heart is worn, there s no need to dwell.
So tell me why do I worry myself?
