Verse 1

**A** **Bm**  
Take out pen and paper,  
**G**  
Write down another verse,  
**A** **Bm**  
Anything to take me away,  
**G**  
Trapped in a spell, no words to say

Verse 2

**A** **Bm**  
Do I wait for inspiration?  
**G**  
You know Iâ€™ve tried to fight off desperation.  
**A** **Bm** **G** **A**  
The writing on the wall said thereâ€™s still salvation for me.

Chorus

**D** **A** **Bm**  
So tell me why, do I worry myself?  
**Em** **Bm** **A**  
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.  
**D** **A** **Bm**  
So tell me why, do I worry myself?  
**Em** **Bm** **A**  
**G**  
I m out of the storm, my heart is worn, I made it through hell.

Verse 3

**A** **Bm** **G**  
Under these old illusions, itâ€™s a habit that I know too well,  
**A** **Bm** **G**

I think about you every now and then, but I know Iâ€™m better off now,  
And in my darkest desire I light up the fire,  
Let it burn, just let me burn.

#### Chorus

So tell me why, do I worry myself?  
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.  
So tell me why, do I worry myself?  
I m out of the storm, my heart is worn, I made it through hell.

#### Bridge

Well I once said that Iâ€™ve seen the sun rise on better days,  
Thereâ€™s no reason to be afraid,  
If itâ€™s all the same to you Iâ€™ll be getting on my way,  
Now thereâ€™s nothing left to say.

#### Chorus

So tell me why, do I worry myself?  
Iâ€™ll be alright, doing just fine, itâ€™s no need to dwell.  
So tell me why, do I worry myself?  
I m out of the storm, my heart is worn, there s no need to dwell.  
So tell me why do I worry myself?
