

**Nothing Goo Has Happened Yet  
We Are The Ocean**

A new band :)

here s their official site : <http://www.wearetheocean.co.uk>

And their myspace : <http://www.myspace.com/wearetheoceanuk>

Very simple way to play it. Hope you ll enjoy it :)

**Bm**                    **A**                    **G**                    **F#m**  
Let me in from the rain, don t you let me go again

**Bm**                    **A**                    **G**  
let the water run down my face.

**Bm**                    **A**                    **G**                    **F#m**  
so they say, so they say

**Bm**                    **A**  
i m gonna take this to the top, i ll kiss the air

**G**                    **F#m**  
don t waste your breathe and just face away

**Bm**                    **A**                    **G**                    **F#m**  
well ok, i guess nothing good has happened yet,

**Bm**                    **A**                    **G**  
and i pray, that i ll be alright.

**Bm**                    **A**                    **G**                    **F#m**  
Let me in from the rain, don t you let me go again

**Bm**                    **A**                    **G**  
let the water run down my face.

**Bm**                    **A**  
you are so cold, and i m about to fold.

**G**                    **F#m**  
i m so alone, just let me go.
