B# **A**

I lose my hold as all the pieces start to unfold and now i see where this
started
to get away from me.

Around my neck, pressure holds its grip so tightly, and i regret everything that
i said.

But it feels alright, i might as well be dead

A

I do this every night, you canâ€™t understand how hard it is to be in bad
business.

But it feels alright, i might as well be dead

I do this every night and you canâ€™t understand, iâ€™m twisted inside.

Gm **A7** **C7** **A7**
Gm

Let go and then i lose control and iâ€™m falling faster than iâ€™d really like.
